Mrs. Chapman

Madame,

The enclosed were written for the "Liberty Bell" and if they are judged worthy to appear in it, I shall be most happy to have them used. I was told as true, the two stories of which I have here made one. But I cannot vouch for their truth.

Will you be so kind as to let me know the price of subscription to the Liberty Bell, and I will forward it to you. The papers and the Ms. if it is undesirable, please send / I enclose return postage / to
